ORDER:

In the reference read above, the Registrar General, High Court of Hyderabad, has stated that Energy Efficiency Services Limited(EESL), New Delhi (A Joint Venture of Public Sector Undertakings under Ministry of Power, Government of India) has approached the High Court seeking permission for implementation of energy efficient measures in the Court buildings in the State of Andhra Pradesh by retrofitting conventional appliances to energy efficient appliances (LED). After satisfying with the scheme proposed by M/s. Energy Efficiency Services Limited(EESL), the High Court has permitted them to implement the project in the Court buildings in Visakhapatnam District, free of cost, on pilot basis. Thereafter, M/s. Energy Efficiency Services Limited(EESL), has also submitted proposals in respect of the remaining Court buildings in 12 other Districts in the State. The High Court has accepted the said proposals in principle.

2. The Registrar General, High Court of Hyderabad has further stated that as per the scheme proposed by M/s. Energy Efficiency Services Limited(EESL), they will bear the entire project cost and consultancy charges and the investment will be recovered by them through monthly or quarterly instalments from the amount accrued through deemed energy savings over a mutually agreeable project period and that operation and maintenance of the new equipment is their liability for five years during which warranty of the equipment is in force. The details of investment in respect of the Court buildings in the 12 Districts of Andhra Pradesh are as follows.

Sl. No.	Name of the District	Investment Rs.
1	Srikakulam	59,51,883/-
2	Vizianagaram	35,02,107/-
3	Nellore	38,84,286/-
4	West Godavari	44,56,796/-
5	Prakasam	65,37,710/-
6	Krishna	56,85,313/-
7	Chittoor	82,15,732/-
8	East Godavari	85,62,923/-
9	Guntur	78,10,064/-
10	Kadapa	39,21,178/-
11	Anantapuram	47,54,681/-
12	Krishna	56,85,313/-

3. The Registrar General, High Court of Hyderabad has therefore requested the Government to accord approval for implementation of the energy efficiency measures as per the scheme prepared by M/s. Energy Efficiency Services Limited(EESL), in the remaining Court buildings in 12 Districts of Andhra Pradesh.

4. The Government, after careful examination of the matter, hereby accords approval for implementation of energy measures by Energy Efficiency Services Limited(EESL) in the Court buildings in the Districts of Andhra Pradesh . **There is no financial commitment to Government of Andhra Pradesh.** The entire investment would be made affront by Energy Efficiency Services Limited(EESL) and based on the mutual agreement between Energy Efficiency Services Limited(EESL) and the High Court, this investment will be recovered through monthly or quarterly instalments which result from deemed energy savings over a mutually agreed project period. After the repayment is over, entire savings which accrue thereon would accrue to the High Court only which would result in low energy consumption and hence lower electricity bills to the Government. The expenditure of the Government on current consumption charges of the Courts in the State of Andhra Pradesh would come down substantially after repayment of the investment made by Energy Efficiency Services Limited(EESL).
